Is/Are private well(s) physically connected to the water system? Yes _____ No _____

Other:

Comments:

(FOR WATER DEPARTMENT USE ONLY)

After reviewing the data on this form it is my recommendation that:

_____ The plumbing system serving the above-described property should be inspected for cross-connections by a properly certified plumber/CCCDI inspector.

_____ The plumbing system serving the above-describe property does not pose a threat to the public safety and no inspection is ordered.
