

Hahn called the March 14, 2018 Ordinance Committee Meeting of the Cullom Village Board to order at 6:00 PM at the Cullom Village Hall. There was no opposition to Hahn recording the minutes of the meeting.

Members Present: J. Meister, Mills, Rock & Hahn

Current ordinances books were reviewed.

Building Ordinance: with the last building and zoning ordinance of the Village and Livingston County being written in 1975, research will be done from area towns to see what their ordinances are and see if we can incorporate them into an updated ordinance for Cullom.

Village Zoning: current and outdated maps were reviewed as to current zoning areas within the village. Will research having a new map created in which to update zoning areas and be able to have online.

Ordinance Violations: discussed having someone besides members of the Board delivery ordinance violations. An off duty police officer will be contacted to see if interested. Committee members will create a list of violations and see which can be handled by mail, and those which will need to be hand delivered. Hahn will post on social sites a reminder of details homeowners are responsible for.

With no other business the meeting adjourned at 7:15 PM
